## ISGA Certification Terms (July 2016)

PlayStudios, Inc (“PlayStudios”) declaration of compliance to the ISGA’s Best Practice Principles has been successfully verified by a third party auditor of global repute, SLI Global Solutions. The ISGA has granted PlayStudios this mark of certification (“ISGA Certification”).

ISGA Certification is a mark of quality that PlayStudios is committed to upholding the ISGA’s Best Practice Principles (“Principles”). PlayStudios players and fans should have confidence that PlayStudios social games:

- adhere to applicable laws and regulations;
- are transparent in their mechanics and functionality;
- protect player privacy;
- are advertised in a responsible manner; and
- are transparent in the methods used for purchases and payments.

ISGA Certification means that PlayStudios commits to upholding the Principles for one year dating from the start of the Certification period 11 July 2016.

PlayStudios may use ISGA Certification on its website, mobile site or other materials to communicate that it has received ISGA Certification.

PlayStudios may only use ISGA Certification for products and materials directly related to social games as defined by the ISGA.

ISGA Certification means that PlayStudios will make best efforts to uphold the standards set out in the Principles throughout the Certification period.

Three months prior to the end of the Certification period, ISGA will endeavour to contact PlayStudios to take steps to renew ISGA Certification.

ISGA reserves the right to revoke ISGA Certification at any time if there is compelling evidence that PlayStudios is failing to meet the ISGA Certification obligations.

The ISGA shall not have any liability to PlayStudios in contract, tort (including negligence), breach of statutory duty, proprietary rights infringement, product liability, or otherwise, for any damages, direct, indirect, incidental, consequential, special or punitive including without limitation loss of data, income, profit or goodwill, loss of or damage to property and claims of third parties or claims from any regulatory or similar governing body, arising under or in connection with this ISGA Certification.
